

INSTITUTE OF BIOSCIENCES

Name : Noraznita Sharifuddin
Position : Research Officer
Email : noraznita@upm.edu.my
Tel : +603 97692223
Field of expertise : Molecular Biotechnology

Research Interests:

My research interest is in molecular studies with emphasis in aquatic health management and diagnostic focusing on molecular detection of pathogenic bacteria in aquatic organisms for improvement of diagnostic tools. My other research also involves molecular identification and phylogenetic study of aquatic species.

List of Grants:

Development of Genetically Diversified Malaysian Fighting Fish (Betta species) through Phylogenetic Assessment. Research University Grant Scheme (RUGS)-Universiti Putra Malaysia. 2009-2011. Principal Investigator.
